The Buckeye School District has a \$1 million operating deficit for the 2010-2011 school year. The district is fortunate to be the beneficiary of the Buckeye Education Foundation. The Foundation is a 501(c)3 non-profit corporation founded in 2009 for the express purpose of raising money to fund quality educational programs in the arts and other areas for each child in the Buckeye Union School District. We encourage you to get involved with the Buckeye Education Foundation to do your part to ensure the children in our district continue to have the outstanding educational opportunities we expect and they deserve.

Attend the Foundation's next public meeting on Wednesday, March 10, at 7PM at the district office in Shingle Springs. Volunteer on one of the Foundation committees. Stay informed online at www.buckeyefoundation.org and by becoming a fan on Facebook. Talk to your friends about the Foundation. Most importantly, make a financial investment that will provide outstanding return to your children and to the entire community by helping maintain at-risk programs in our schools.

Donate online at <http://buckeyefoundation.org/Donations.html>

You can reach the Foundation at info@buckeyefoundation.org.
